

# 15<sup>TH</sup> YOUNG SYSTEMATISTS' FORUM

FRIDAY 29 November 2013, 9 am

Venue: Flett Lecture Theatre,  
Natural History Museum, London, UK

The annual **Young Systematists' Forum** represents an exciting setting for Masters, PhD and young postdoctoral researchers to present their data, often for the first time, to a scientific audience interested in taxonomy, systematics and phylogenetics. This well-established event provides an important opportunity for budding systematists to discuss their research in front of their peers within a supportive environment. Supervisors and other established systematists are also encouraged to attend.

Prizes will be awarded for the most promising oral and poster presentation as judged by a small panel on the day.

**Registration is FREE.** Send applications by e-mail to ([YSF.SystematicsAssociation@gmail.com](mailto:YSF.SystematicsAssociation@gmail.com)), supplying your name, contact address and stating whether or not you wish to give an oral or poster presentation. Space will be allocated subject to availability and for a balanced programme of animal, plant, algal, microbial, molecular and other research. Non-participating attendees are also very welcome - please register as above.

**Abstracts** must be submitted by e-mail in English no later than **Friday 18 October 2013**. The body text should not exceed 150 words in length. If the presentation is co-authored, the actual speaker (*oral*) or presenter (*poster*) must be clearly indicated in **BOLD** text. Institutional addresses should be given for all authors.

All registered attendants will receive further information about the meeting, including abstracts, by e-mail one week in advance. This information will also be displayed on the Systematics Association website ([www.systass.org](http://www.systass.org)).
